ASP Tactical Baton Certification This 4 Hour Certification Course is taught by ASP Defensive Tactics Instructor CW2 Michael D. Simpson, CHS-III,

During this 4 Hour certification program the student will learn:

- 1) Portation (Carrying)
- 2) Presentation (Drawing)
- 3) Striking Techniques.
- 4) Mechanical Function.
- 5) Maintenance of the ASP expandable Baton.

The Use of Force Continuum is also covered.

Students should be in good physical condition as this is a strenuous course

**Per T.C.A. This certification does not expire, however it is recommended by SPI that one challenge themselves at least every for 2 calendar years as skills are perishable.**

**TOPIC COVERED IN THIS PROGRAM INCLUDE:**

Effectiveness / Safety / Legal Issues      Practical Exercises  
Self Defense / Survival Techniques

When registering for this class, you must complete a two-step process.

- 1) Mail the SPI Student Certification Course Application found online at <http://southeasternprotectionandinvestigation.net/> with payment of \$100.00, 30 days prior to the class date. Checks should be made payable to Michael Simpson.
- 2) If application is approved, a Safety Agreement will be forwarded and must be returned 3 days prior to the class date. Attendance is not allowed unless the agreement is signed and submitted to Michael Simpson prior to the class.

*If the course application is denied or you fail to meet the deadlines you will received a full refund of \$100.00. Although if you are approved and fail to attend, you will not receive a refund!*
